Nancy,

I have serious senior moments, but our monthly calls to discuss the various drinking water projects on Hopi are usually the first Thursday of every month. The last set of notes from the monthly Hopi call that I have is from July 2016. Since then, I really do not remember whether we decided the November call would be on November 16. I know we did not have an October 2016 call.

There is a November 16 call to discuss Lead with just the BIA about the Keams Canyon water system. Is that the November 16 meeting you are talking about?

Hi Bessie:

I thought our call was going to be held on November 16th?
